Sir:

In accordance with Applicants' duty of disclosure under 37 C.F.R. 1.56, Applicants hereby submit copies several reference, listed on the enclosed two Forms PTO-1449. Some of these references were cited in a European Patent Office search report dated October 22, 2004, in connection with a related application. A copy of this search report is also enclosed.

The filing of this Information Disclosure Statement shall not be construed to be an admission that the information being submitted is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

A concise explanation of the relevance of the non-English language references, as currently understood, is provided by the English language search report.

Because these references are being submitted before the issuance of a first Office action on the merits in this case, it is not believed that any fee under 37 C.F.R. 1.97 is required. If this is incorrect, the Commissioner is hereby authorized to charge any necessary underpayment of fees and credit any overpayments of fees to Deposit Account No. 04-0120.

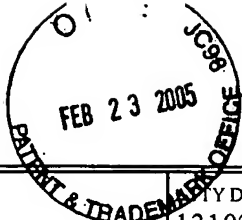

Consideration of these references is respectfully requested.

Respectfully submitted,
DENNISON, SCHULTZ,
DOUGHERTY & MACDONALD
